GRADING

Your grade for this course will be based on three exams, recitation, and a final. Your grade will be determined as follows:

RECITATION

Attending recitation is required. During recitation, the TAs will review material that is presented in lecture, as well as provide you with more examples and practice problems to prepare you for the exams. Your TA will describe his/her grading policy and what is expected of you during your first recitation. **Recitation begins the week of September 3, 2007.**

TENTATIVE COURSE SCHEDULE

The following is the *tentative* schedule of topics to be covered in the course. This schedule is subject to change. We will cover roughly one topic each week. Since exam dates are fixed, they will cover only the material that has been finished.

Week of:	Topic	Chapter(s)
August 27	Introduction	1 & 2

OTHER INFORMATION

I will periodically post practice problems and worksheets on the website, along with any other pertinent information. I will try to announce when I have made a new posting in lecture; however, you should also check the website for new material, especially as exams approach.
